“Believe me, it’s the most exciting and challenging assignment we have ever tackled at Walt Disney Productions.” —Walt Disney

40 years ago today, the Walt Disney World Resort introduced the world to a whole new kind of vacation destination. With the blessing of size, Magic Kingdom. Park captured our imaginations on daring adventures through the jungle, musical revues with Mickey Mouse and journeys deep under the sea. We met an orange bird in a sunshine tree, white-washed a fence with Tom Sawyer and traveled to the moon. Today, the magic continues to create memories as we splash into a brier patch, bounce through the Hundred Acre Wood and soar into outer space.

This was Walt’s dream—his final dream. The dedication of Walt’s brother, Roy, made sure that Walt’s dream became reality and that the Florida Project would inspire the dreams of Guests for generations. We have now enjoyed four decades of Walt’s final dream and the dreams continue to grow. Today, the magic of Walt and Roy Disney has touched all of our lives. On behalf of the Cast of the Walt Disney World Resort, we welcome you to Magic Kingdom. Park on our 40th Anniversary and invite you to share in a dream come true.

October 1, 2011

Walt Disney World is a tribute to the philosophy and life of Walter Elias Disney... and to the talents, the dedication, and the loyalty of the entire Disney organization that made Walt Disney’s dream come true.

May Walt Disney World bring joy and inspiration and new knowledge to all who come to this happy place... a Magic Kingdom where the young at heart of all ages can laugh and play and learn—together.

Dedicated this 25th day of October, 1971.

Roy O. Disney
